FUNDACIÓN
Norma y Leo
Werthein

At the **Norma and Leo Werthein Foundation**, we lead the Werthein Group's sustainability and social responsibility initiatives, always focusing on projects that make a real difference in the world.

Our main pillars — education, culture, and sustainability — guide our mission to create a meaningful and positive impact in our communities.

We work to build a fairer and more sustainable future by developing and supporting projects that drive lasting change, focusing on these three key areas to generate a positive and enduring impact in the communities where we operate.

| EDUCATION

We want more people to have access to quality education.

Through Escuela+, the region's largest edutainment cluster, we support teacher training, develop digital tools, and promote educational content that helps reduce the digital divide and make education more inclusive and sustainable.

| ART AND CULTURE

We promote artistic creation and the production of content that enriches our heritage and fosters dialogue between different perspectives at the regional level. We support institutions, creators and cultural projects that strengthen identity and diversity

| SUSTAINABILITY

We are committed to a greener future.

We promote the use of renewable energy, support the construction of sustainable schools, and work with communities to foster socially conscious and environmentally responsible development.
